## Next Generation Opportunities

*Thank you to Pastor Bob for providing this article.*

“How much better to get wisdom than gold, to get insight rather than silver!” Proverbs 16:16

On January 28, the Club des Ados at Pillatre, led by our fourth-year theology student Wender Garçon, presented a various and rich program to the church. These powerful kids taught many lessons through their mime dances and sketches. Pastor Bob said: “Getting your teens involved in ministry is one of the best gifts you can give your teens and your congregation”.

In Haitian culture, young are always denigrated by others, but the Bible does not denigrate young people. On the contrary, it highlights the abilities of young people to do, but they also need to have people around who can help them to become those that God intended them to be when he created them. Young people are part of today’s Church, but all of tomorrow’s leaders. So, young people need peers and benchmarks in the Church.

“...I write to you, young men, because you are strong”  
1 John 2:14

The Bible has many examples of youth using their gifts to lead. May we be encouraged by examples within our church.

Let’s keep praying for this club to become a light within our community and beyond.

# Equipping the Youth

Thinking about how to better equip the next generation, we were glad to inaugurate a new “Youth Library of Pillatre Christian Church”. On January 21, a new place of culture, knowledge and learning was opened for the youth in our community. The inauguration ceremony was celebrated by the Pillatre Church Pastoral, in the presence of many members of the church and the deacons. This new library is called “BJECP Library”, to encourage our Youth Association, theology students, and other neighborhood students as well as other churches in the community. Our thanks go particularly to our journalists and seven librarians who were trained to serve others.

**If I could speak all the languages of earth and of angels, but didn't love others, I would only be a noisy gong or a clanging cymbal. If I had the gift of prophecy, and if I understood all of God's secret plans and possessed all knowledge, and if I had such faith that I could move mountains, but didn't love others, I would be nothing. If I gave everything I have to the poor and even sacrificed my body, I could boast about it; but if I didn't love others, I would have gained nothing.**
