Miss Mélus

It is with deep sadness that we announce the passing of Miss Mélus (also known as Suzanne), an extraordinary and faithful employee who served HCM for 27 years. She began her service in 1998 as the school nurse for the primary school, and from 2000 to 2025, she served as Head Nurse at the HCM clinic. Miss Mélus was a dynamic woman, deeply patient with the sick, and she built strong relationships with everyone in the community. She always welcomed patients with a warm smile and kind words. In 2024, she underwent her first surgery. Though her health began to decline, she continued coming to work with courage and dedication. By 2025, she was only able to come three times a week, but she continued to give her very best. Miss Mélus was a model employee. Her presence at HCM left a lasting mark through her dedication, her compassion for people, and her unconditional service. The entire HCM staff expresses our deepest gratitude for the beautiful legacy she leaves behind. We will continue to lift her family in prayer as we celebrate her life and the impact she had on all of us. Rest in peace, Miss Mélus. You will never be forgotten.

Thank you to Willeme for providing this article.

Dear sponsors, friends, and HCM family, we are so excited to share that the new school year has successfully started at Pillatre Christian School! The children have returned to their classrooms with joy, energy, and strong motivation to learn. There is a beautiful atmosphere of spiritual growth and learning, and we can truly feel God's presence walking with us each day. Every student receives a meal every day, which helps them focus, grow strong, and enjoy school life. We don't just teach lessons, we're building character, hope, and a future.

Sponsors, You Are the Light! We couldn't do this without you. Your generosity, your love, and your faith are the foundation of this mission. You're not just covering school fees, you are saving lives, preventing tragedy, and

offering purpose. Every child you support is one more life brought out of darkness into light. More Education = Less Social Danger. What we're seeing today in Port-au-Prince is the result of a generation left behind. Gang activity, crime, and violence, most of those involved were

once children the system abandoned. When you send a child to school, you're not just helping him, you're protecting an entire society.

Pillatre Christian School is more than a school; it's a shield against despair. Every child we place in a classroom is a potential leader, not a future victim or agent of destruction. Let's Keep Building together! We encourage you to keep praying, supporting, and sharing this vision. More sponsors = more students in school = more hope for Haiti. Thank you for

choosing to make a difference. Thank you for loving our children. Thank you for believing in the power of education and God's love.

With love and gratitude, The HCM Team

"The light you place in a child's life can illuminate an entire nation."

But as for me, I will sing about your power. Each morning I will sing with joy about your unfailing love. For you have been my refuge, a place of safety when I am in distress. O my Strength, to you I sing praises, for you, O God, are my refuge, the God who shows me unfailing love. Psalm 59:16-17
