Thankful for our supporters

Dear friends, we want you to know that your support is making a lasting impact. This mission is not built on one person, it's built on Christ, and you are part of that story. Thank you for believing in the work, for standing with us, and for praying with us.

With heartfelt gratitude, The HCM Leadership Team Led by Pastor Marc-Aurel

Dear Friends and Supporters of HCM, we greet you today with deep love, respect, and gratitude for your faithful support, especially during this season of transition. We want to assure you that HCM is moving forward strong and steady, firmly grounded on the same foundation it was built upon; preaching the Gospel, serving with love, and meeting the real needs of God's people across Haiti. Under the leadership of our new director, Pastor Marc-Aurel, the mission continues with sincerity, passion, and full commitment to the original vision. This has simply been a change in leadership, not in mission. What God established through HCM is still growing, still serving, and still reaching lives with the same purpose and calling.

In Pillatre, the church is active and gathering again. While some members were deeply attached to Pastor Bob and stepped away for a time, we've seen many of them returning with joy. The clinic continues to operate with great efficiency, and we're excited to share that we've launched a major construction project for a maternity ward. This initiative is aimed at helping women give birth in safer conditions. Sadly, too many women still lose their lives during home births, and we

believe this project will help save lives. We ask that you continue to pray with us for its successful completion.

In addition, the churches in our other locations including Lory, Haut Dehenne, Difou, Longues, Breda, and Boukan Michel are all functioning with commitment and discipline. The pastors serving in these communities are working in unity with the new leadership, and several meetings have already taken place to strengthen relationships and reinforce the mission's vision. Everything is being done in alignment with HCM's three core focuses: 1. Planting churches, 2. Meeting physical needs, 3. Preaching the Gospel across Haiti. So far, the mission is strong. We are grateful for what God is doing, and we know He's not finished yet. It's only by God's grace and because of your ongoing support and partnership that this important work continues. Thank you for standing with us. Thank you for believing in HCM's mission.

Come, let us sing to the Lord! Let us shout joyfully to the Rock of our salvation. Let us come to him with thanksgiving. Let us sing psalms of praise to him. For the Lord is a great God, a great King above all gods. Psalms 95:1-3 NLT
