## Breda Church

Breda Church is one of the churches planted by HCM. It is led by Pastor Walter Gabriel. The church is located in Plaine du Nord, one of the more challenging communities in Haiti to spread the gospel. The area is known for having some of the largest Vodou sites. This makes the work of the church very challenging. However, as we all know, the power of the gospel is the greatest power. This allows the church to exist there and thrive. The church has 175 regular members. This area is truly difficult for evangelism because most people in this community practice Vodou activities. Even so, the power of the gospel continues to take root. And many people are beginning to come to Jesus. Pastor Walter related a story to 2 of our HCM board members who visited Haiti a year ago in January about how the daughter of one of the Vodou witchdoctors gave her life to Jesus Christ and the persecution she faced in her community because of her decision to follow Jesus. The gospel of Jesus Christ continues to change lives. Please continue to pray for the church at Breda, as they face many challenges. But God continues to remain in control.

## Pillatre School celebration

We had a major event at Pillatre School: "The Philosophy students' celebration". It was a beautiful moment dedicated to honoring the 13th graders, as this is their final year of school. To mark the importance of the occasion,

the Director of the National Education Department was invited. There was a lot of emotion, especially because many of the students have been there since kindergarten all the way through 13th grade. The students expressed how deeply they love the school because of the many opportunities it provides.

Every Monday, there is a devotional to begin the week with the Word of God. The school also has a clinic to care for students when they are sick, offers computer classes, and provides daily meals. This time of reflection raised many questions among the students, particularly about whether they would find the same level of support elsewhere. They took the opportunity to thank all the HCM supporters and the board for their continued support from kindergarten through their final year. They also received valuable advice from the Field Director Pastor Marc-Aurel Fenelus. It was something the students really appreciated from him. Finally, they asked everyone to keep the ministry in their

prayers, so that God can open more doors to help all those in need.

- Continue to pray for peace in Haiti as they face more government uncertainty with no elections scheduled.
