## **Lory 23<sup>rd</sup> Anniversary**

Dear Sponsors and Friends of HCM, Greetings to you in the name of our Lord. As the new Field Director, I would like to share some updates on what has been happening here.

Recently, Lory Church celebrated its 23rd anniversary. We also witnessed the delivery of the first baby at our maternity clinic, and our primary school students enjoyed a memorable day at the beach. I would like to express my sincere gratitude to Pastor Jacques for his outstanding leadership and dedication in organizing the celebration of Lory Church's 23rd anniversary. This event was not only joyful, but also a powerful reminder of how far the church has come. For 23 years, Lory Church has been a beacon of hope, faith, and transformation in the community. Through Pastor Jacques' vision, commitment, and love for people, the church has become more than just a place of worship—it has become a home for spiritual growth, encouragement, and unity.

The anniversary celebration beautifully reflected the strength and unity of the church family. It brought together members of the community to celebrate God's faithfulness and the incredible journey of the church. Because of Pastor Jacques' leadership, many lives in Lory have been impacted. Families have found support, young people have discovered purpose, and the message of hope continues to spread throughout the community. Lory Church is making a lasting difference, and we are deeply thankful for Pastor Jacques' faithful service. May God continue to bless him with wisdom, strength, and vision for the years ahead. Congratulations to Lory Church on 23 years of ministry, faith, and community transformation!

We are currently in the process of building a maternity clinic. Although construction is not yet complete, a mother recently came and safely delivered her baby there. This shows just how important this facility is for the community. We are asking for your support to help make this vision a reality. Many mothers in the Pillatre community must travel long distances to give birth, often on very difficult roads. Sadly, this can lead to tragic outcomes. This maternity clinic has the potential to truly save lives and make a lasting impact.

In addition, with the help of our staff, we continue to create meaningful learning experiences for the students at our primary school in Pillatre. Recently, the students had the opportunity to take a trip to the beach. This was more than just a fun outing, it was a valuable experience filled with joy, discovery, and learning. For many of the children, this was a rare and special

opportunity. At the beach, they were able to relax, play together, and build stronger friendships. They learned about teamwork, respect for nature, and the importance of enjoying healthy time outdoors. These experiences help build confidence, create lasting memories, and support their emotional and social development. Activities like this are incredibly important. They remind children that learning happens everywhere, not just in the classroom. They also bring joy, motivation, and a sense of being loved and supported. Thank you for your continued support and prayers. Blessings, Pastor Marc-Aurel FENELUS
