## **From Your Hearts to Haiti: Lives Being Transformed**

Dear Sponsors, I feel always thrilled to share with you some good news about what is being done here in Haiti:

**SCHOOLS:** As the new Field Director, pastor Marc-Aurel Fenelus, I would like to express my heartfelt gratitude for your continued support and generosity toward our children. Since stepping into this role, I have had the opportunity to witness firsthand the positive impact of your contributions. Because of your kindness, the children are receiving nutritious meals, care, and the support they need to grow and thrive. Seeing their smiles, improved well-being, and hope for the future has been truly inspiring. Your commitment is making a real difference in their daily lives and providing opportunities that many of them would not otherwise have. On behalf of the children, our staff, and the entire organization, thank you for your compassion, faithfulness, and dedication. Your support is not only feeding hungry children but also giving them hope, encouragement, and a brighter future. We are deeply grateful for your partnership and look forward to continuing this important mission together. With sincere appreciation and gratitude.

**HAUT DEHENNE CHURCH:** A year ago, the church in Haut de Henne faced a serious challenge: there was no proper bridge to reach the church. Vehicles could not pass, the visitors were forced to carry their luggage by hand just to get across, when someone died or became ill, residents used to transport them themselves because trucks couldn't access the area. This situation made access difficult, especially during rain, and often prevented members and guests from attending services and activities.

Thanks to generous gift from Chatham Christian Church in Chatham, IL, a bridge has been built, completely transforming the situation. This new bridge now allows easy and safe access for vehicles and pedestrians alike. The importance of this bridge for the church is significant. It has improved mobility and made transportation much easier for members, visitors, and pastors. Church services and events

can now take place without interruption caused by weather or difficult terrain. It also strengthens community connection, encourages more participation, and opens the door for growth in ministry and outreach. In short, this bridge is more than just a structure, it is a symbol of progress, unity, and new opportunities for the church and the entire community. We extend a sincere Thank You to Chatham Christian Church for seeing a need highlighted in our newsletter and providing the funds to complete the bridge.

**GIFTS FOR OUR PASTORS:** On behalf of all the pastors serving with HCM, we would like to express our heartfelt gratitude to Greentree Christian Church in Rolla, Mo. They gave their 2025 Thanksgiving offering to benefit HCM's most recent 5 church plants. Each church plant pastor received a new motorcycle to better serve their church communities thanks to their very generous gift to the ministry.

This gift is more than just a means of transportation; it is a valuable tool for ministry. Many of our pastors travel long distances to reach churches, visit families, encourage believers, support community projects, and share the Gospel in remote areas. Reliable transportation enables them to serve more effectively, save valuable time, and respond more quickly to the needs of the people they minister to. The motorcycles will greatly reduce transportation challenges and allow our pastors to reach more communities with greater efficiency and consistency. This investment strengthens the work of HCM and expands the impact of our ministry throughout the regions we serve.

Thank you for your vision, generosity, and commitment to supporting those who dedicate their lives to serving others. May God richly bless HCM and all those who have contributed to this meaningful initiative. Your support makes a lasting difference in the lives of our pastors and the communities they serve. With sincere appreciation. May God continue to bless you all.

**Rejoice in the Lord always. I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near. Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.**
