

Faith That Endures, Hope That Grows

It is always a great joy and privilege for me, as the Field Director in Haiti, to share with you what God is doing through this ministry. Despite the many challenges we face, we continue to witness God's faithfulness every single day.

We were deeply saddened by the passing of our dear brother, Jures (Wender) Garcon. His death has left a tremendous void and brought great sorrow to our churches and ministry. Jures was a faithful and humble servant who devoted himself wholeheartedly to the work of the Lord. One of Wender's greatest passions was investing in the next generation. He brought together and led a group of young people who faithfully served in the church, inspiring them to love Jesus and use their gifts for God's glory. His quiet leadership and servant's heart left a lasting impact on many lives. Just recently, Wender celebrated an important milestone by graduating with a degree in theology and was just married in the last month. He looked forward to serving Christ even more fully, and although his time with us was far shorter than we wished, we rejoice knowing that his life was devoted to advancing God's Kingdom.

His life was a blessing to everyone who knew him. Yet, as Christians, we cling to the hope we have in Christ, remembering the words of Job: "The Lord gave, and the Lord has taken away; blessed be the name of the Lord." We will always remember Jures with gratitude as we continue to advance God's work for His glory.

We are also encouraged by the continued growth of the HCM churches. It is a wonderful reminder that God is still adding people to His Kingdom. We are especially grateful for our Board of Directors, who faithfully carry our churches and ministry on their hearts. After providing each of our pastors with a motorcycle to facilitate their ministry, they are now generously supporting the construction of church benches to accommodate our growing congregations as more people come to know Christ.

In the area of education, we are thankful for the dedication of our teachers and the hard work of our students. We are pleased to report that all of our schools achieved very satisfactory results at both the primary and secondary levels. We praise God for these accomplishments and for the commitment of our principals, teachers, students, and parents. We are now prayerfully awaiting the results of the Haitian national examinations. This year, we presented 35 students for the Philosophy (Grade 13) examinations and 103 students for the Ninth Grade National Examinations. We trust that God will continue to bless the efforts of our students and grant them excellent results.

Throughout it all, we continue to see God's faithful hand leading and sustaining this ministry. We are deeply thankful for our faithful supporters and the members of our Board of Directors. Your generosity, encouragement, and prayers make this ministry possible. May the Lord richly bless you, protect you, and watch over you and your families. I would also like to express my sincere appreciation to every member of our staff and ministry team for their faithful service, dedication, and love. Your commitment to God's work is making an eternal difference in the lives of many. Thank you for your continued love, generous support, and faithful prayers.

Pastor Marc-Aurel FENELUS
Field Director – Haiti

For you were once darkness, but now you are light in the Lord. Live as children of light (for the fruit of the light consists in all goodness, righteousness and truth) and find out what pleases the Lord. Ephesians 5:8-10
