## New School at Lory

This year marked the beginning of an exciting new chapter at Lory. After

several years of planning and praying, we have launched our second school. While it is starting small, we are so very excited for this expansion in education.

In 2015, the latest estimate available, the adult literacy rate in Haiti was approximately 61%. As mentioned in the newsletter last month, Pastor Bob believes education is a very important way to help the next generation in Haiti.

The school is very similar in structure to our Pillatre school. One main difference is that we are starting small with only 25 first grade students. The day starts with a devotion in the chapel prior to school. Then after going

through their subjects, they get a hot meal and a vitamin. The only other major difference is that the Lory school has different color uniforms. The kids look really sharp in the green and grey uniform!

We are so thankful to all those that have helped launch this school and ask you pray for continued guidance for Pastor Jacques and Vanette as they lead this church and school.

## **Fall in Haiti**

While the later stages of summer are typically slow in the way of trips, we are heading into a season now where the pace picks up. Medical clinics, VBS, House builds, and Community development trips will bring opportunities for volunteers to shape and be shaped by visiting Haiti.

- Would you be praying for all those traveling, our outstanding field team including all the Pastors, translators, Mission Team Coordinator, drivers, and everyone that helps makes things go smoothly in country.
- Be praying for those who have said yes to going – may they be transformed leading up to, during, and after their trip. Be praying for health, plans to come together, and spiritual growth.
- Pray for our HCM board as they will be meeting in Haiti this month. May the time be fruitful. May they listen to God's direction for the ministry.

*I will give thanks to the LORD with my whole heart, in the company of the upright, in the congregation. Great are the works of the LORD, studied by all who delight in them. Full of splendor and majesty is his work, and his righteousness endures forever. He has caused his wondrous works to be remembered; the LORD is gracious and merciful. Psalm 111: 1-4 ESV*
