## Meeting a Medical need

It feels like it has been a while since we have had a team in country and a really

long time since we had a medical team. One team recently had to cancel, but in an answer to prayer, we were finally able to get a team from Dillion, Colorado into Haiti. It had been 5 months since the last team had been able to see hundreds of Haitians that need medical care. As we have mentioned before, in most of Haiti

medical attention is not readily available. If they do happen to have medical care nearby, it is very costly and not something most Haitians will seek out. These medical teams are so very important and a core to the mission of HCM to meet the physical needs of the people.

From our Mission team coordinator, Willeme Vixamar, "We felt so happy to have this great team. After that long, people became sicker. They had the opportunity to be seen by this team. They felt excited again to receive medical care. So many people were seen. And some sicker people will be sent to Milot and New Hope hospitals to receive further medical care. We praise the name of God for all he is doing in the ministry."

The team was able to go to all of our churches (Pillatre, Lory, Haut DeHaine, Difou, and Riviere Sable) over the course of the week. We are so very thankful for the sacrifice that each team member made to travel to Haiti and provide care to those in great need. And we praise God that he continues to allow us to be His hands and feet!

## Leadership Training and Serving

Right after the medical team left, a leadership conference was held at Pillatre. This leadership conference coincided with Pastor Bob returning from a leadership conference he attended in the US. Eighty-Seven attendees from Northern Haiti came to Pillatre for a day of learning and encouragement. One of the highlights on day one was an interview with Pastor Bob. On day two they went to the orphanage at Rivere Sable to visit. Not only did they get to spend time with the children, they also helped serve the meal that day. In addition, the team modeled Jesus as they washed the feet of everyone at the conference.

We are also thankful for teams that go and pour into the leaders in Haiti. Encouraging, walking along side, serving, and washing feet can have such a lasting impacting to those they interacted directly with as well as the communities the attendees came from. Praise God for leaders pouring into leaders!

### Continued prayers

Please continue to pray for Haiti. While the news isn't as dire as a few months ago, it is still a struggle each day for our Haitian brothers and sisters. Fuel availability continues to ebb and flow causing a domino effect to the rest of the economy. The government is still unstable, and frustrations continue to be high. Pray for our Pastors (Bob, Jacques, Noseben, Phito, and Geneus) and their families. Pray for wisdom, perseverance and strength. Pray that our busy schedule of teams in the coming months will bring encouragement and resources that can be used to glorify our God!

**“Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God. Consider him who endured from sinners such hostility against himself, so that you may not grow weary or fainthearted.”**

**Hebrews 12:1-3 ESV**
