

Rivière Sable

Thank you to Pastor Bob for providing the following update.

After being inspired by the HCM vision, one of the deacons from Pillatre Christian Church, Paul Franckel Annavita (Fr Geneus – former manager at the Pillatre Clinic) decided to accompany his wife Rosiane Denis (former student at Emmaus) to plant a church at Rivière Sable. After one year of ministry, they both decided to partner with Haitian Christian Ministries. Rivière Sable is a remote area where voodoo is being practiced and kids are being extremely abused. It is a very deprived community located in the east side of Cap-Haitian, but the grace of God has shown up. It is said in Romans 5:20, “where sin increased, grace increased all the more”. The church has grown up from 35 to 195 members.

Geneus and Rosiane have a passion for kids, widows and the impoverished ones. Pastor Bob has been the witness of Geneus and Rosiane’s heart for the ministry. He said, “They are the most dedicated couple that he has ever seen in ministry. In spite of poor infrastructure and resources, they have a burning desire to serve this community.” In November 2017, they started with a daycare where more than 50 kids are being fed and educated every day. Praise God! HCM is partially supporting these kids on a monthly basis.

This church had been persecuted by a Voodoo witch doctor for two years, but God has shown who He is. The witch doctor has finally sold us his property. He has since moved his practice elsewhere due to the church activities. So, the current site where the church will be built was once where a Witch doctor lived. What a mighty God we serve! With full support of HCM, brother Geneus is being equipped at Emmaus University in order to better serve this community.

“And may the Lord make your love for one another and for all people grow and overflow, just as our love for you overflows. May he, as a result, make your hearts strong, blameless, and holy as you stand before God our Father when our Lord Jesus comes again with all his holy people. Amen.”
