

Haut-Dehaine

Thank you to Pastor Bob for providing the following article

“Attempt something so impossible that unless God is in it, it’s doomed to failure.”- John Haggai

Early in 2017, the HCM Field Director was accompanied by some members of the national staff of HCM to a dark area called Haut-Dehaine. This area is about 35 minutes north-northwest of the Pillatre church near the Acul Bay. As God led their hearts, a church was planted. Pastor Phito Auguste, who was a former member of Pillatre church, has the leadership of this church. This church has grown from meeting in someone’s yard to its own campus. Due to your financial and prayer support, this church has continued to grow and thrive. We are so thankful to our supporters! Praise God!

This church also has grown up from 5 to 300 members, but COVID-19 has impacted the number attending regularly in the past year.

Pastor Phito and his wife Selosse, a nurse who serves at the HCM Clinic, offer their time and gifts to develop this ministry. We are the witness of great spiritual and social impacts of this ministry in this community. Many young people have submitted their lives to Christ and church members have become involved enthusiastically in discipleship and local mission. Welcome Home Haiti helped build one house for an impoverished family and two more houses were added later. Amen 🙏! The committee of the church has recently built a compound of three classrooms to provide education to those who cannot afford expensive schools. This school of 65 kids has grown so fast and open its doors to receive more kids in the community.

Haut-Dehaine is a lovely area that our American missionaries like to go, because it is located near some green mountains with a great view and is near the ocean. You can read more about the history of Haut-Dehaine and see more pictures on our website at <https://hcm.in.org/about-us/haut-dehaine> .

Our request prayers for Haut-Dehaine are:

- Phito and Seloisse to be faithful to their calling
- Build the facility of the church
- More leaders to join and be raised for this ministry
- Support for the school (food and finance)
- An additional piece of land for the church members to have their own road to come to church. Currently they must use a neighbor's property to access the church.
- A small sound system
- A Welcome Home Haiti house on the site
