Pastor Bob Visits United States

Pastor Bob has just returned to Haiti from a two week visit to the US. Over the course of the two weeks, he was able to visit five supporting churches and many HCM supporters. He was also able to be in person for the HCM board meeting as well as meeting with Midwest Food Bank, which is a great partner in Haiti. There were many joyous reunions with those who have been unable to travel to Haiti for longer than they would like, sharing how God continues to move in a mighty way in Haiti, and laying out hopes and visions for the future. From Illinois to Missouri to Kansas to Colorado, it was a great time of fellowship and sharing.

We asked Pastor Bob to share a few thoughts from his time in the States:

I had a great time participating in a recent board meeting and I profited from the time to visit some church supporters and friends of the ministry and our family. This visit brings great encouragement and new energy to continue with the vision. As I shared with churches, “the vision requires courage, confidence and risk as the cost of the kingdom vision.” The vision is to plant more people for the kingdom of God which is a lifetime investment.

When the COVID-19 hit the globe, I was concerned about the future of HCM. But I always believed that our God is too wise to be mistaken. I rapidly met our pastors and prayed for our supporters. In a unanimous voice, at the Board meeting, they said if God continue to support, they won't stop. I was so encouraged by that.

We do ask that you reimburse HCM for the shipping cost from Florida to Haiti at \$1.50 per pound and that the gifts fit into a shoe box.
