*From Pastor Bob*

“What shall I render unto the Lord for all his benefits toward me?” Psalm 116:12

We are so grateful for what God has done for us and our partners in the ministry. In spite of difficult times, making daily life difficult for many Haitians, our partners and churches have remained solid and faithful.

After Easter Celebrations, marking the Resurrection of Jesus, our churches held different kinds of spiritual activities including: revivals, conferences, baptisms, and worship. Rivière Sable, one of our churches that was recently blessed with a new physical church pavilion, had an especially joyful celebration on Easter.

Now we are prayerfully seeking God's provision for a new church pavilion at Haut Dehene, our first church plant that was started in 2017. Haut Dehene has rapidly grown in quantity and quality. This remote church is nestled among the community and a great opportunity for HCM to continue to expand our influence in northern Haiti. We have witnessed God moving in a mighty way and are excited for the future. The members of this church have contributed funds to start a primary school and support those who cannot afford to send their children to bigger

schools. Every Sunday morning the people at the church serve the widows and others coffee and bread or Haitian soup. What a blessing to have Pastor Phito and Selosse there to serve! We are thankful for their compassion and dedication. They truly love this community and want to pour into the lives of everyone in this area.

Prayer requests:

- We want to continue to spread the gospel in other remote areas in northern Haiti
- A new pavilion to build at Haut Dehene
- Pastor Phito and Selosse to be encouraged
- Healing for Rose, Pastor Bob's wife, from leg pain
- Doors to be opened for HCM projects
- Grateful for what we have seen/God's hands

We continue to thank God for each staff member who has given so much time to serve our community.
