

## Boukan Michel Church Building

In mid-June, a group of Welcome Home Haiti employees and members of Pillatre church set out to make a major update to the Boukan Michel church building. With the support of the HCM board, we have added a

stable frame and roof to the church building. The project took two days to complete.

Boukan Michel is our most recent church plant. It is a considerable drive of 2+ hours and then a hike of nearly 4 hours. The terrain is mountainous and involves crossing several streams during the trek. This church, and its leaders, has a great passion for Jesus and spreading the Good News. They have, on

multiple occasions, made the journey to Pillatre to attend training, conferences, and revivals. Pastor Bob, and many others, including youth of the Pillatre church, have taken a special interest in this church and its people.

For those unaware, last year the young people at Pillatre church came together to support the youth at Boukan Michel. They pooled their money to provide food for the children at Boukan Michel. The dedication of these young people to continue to take care of the next generation is very inspiring!

Pastor Bob is so very thankful to Welcome Home Haiti for their help with this project. He says “Shelley and Steve Hari, you did a good job training these guys.” He also thanks Jhaky Mercuis, the coordinator of the project; Abraham Georges Junior, supervisor of the project; Boss Alain, the Lead Carpenter; and our spiritual leader and representative, Deacon Leon Guillaume.

“I deeply appreciate every member of this team for showing relentless effort for this achievement. The people at Boukan Michel are so thankful.”

***“Come, let us sing to the Lord! Let us shout joyfully to the Rock of our salvation. Let us come to him with thanksgiving. Let us sing psalms of praise to him. For the Lord is a great God, a great King above all gods.”***
