Pillatre youth sharing the love

Thank you to Pastor Bob for providing this article.

And he will answer, “I tell you the truth, when you refused to help the least of these my brothers and sisters, you were refusing to help me.” **Mathew 25:45-46**

On July 7, 2023, a youth delegation of 14 people from Pillatre Christian Church accompanied the president and the vice-president of the youth association to go to Boukan Michele. Boukan Michele is in a very remote location which is a two-hour drive and a four-hour walk to reach. The goal of this recent visit was to encourage the teachers at the school of 150 impoverished kids. This school has no roof and seat structure, no uniform support, no food like our other schools in the ministry. We are thankful God has placed some good Samaritans in our community to support when they can.

The team brought some food and peanuts from Pillatre inventory and cooked a good meal for

them. They played with them and taught them about “Let’s love each other”. Our church members have sent some used clothes and other additional items for them to use. Our coordinator of this delegation, Jacky Mercius said: “this trip has brought some great experiences to our young people and has encouraged them to serve others as they follow Christ’s path and Pastor Bob leadership.”

Nelson Mandela declared: “Education is the most powerful weapon which you can use to change the world.”

Please pray for:

- God to provide a monthly support for this school.
- A better facility for the school (even with a temporary pavilion).
- Some benches for the kids.
- Encouragement for Jacky and his team.

School Graduation

Thank you to Willeme Vixamar for providing this article.

On Friday July 14th, Pillatre held a graduation ceremony for seventy kids who had successfully completed the great section of kindergarten. It was a great event full of people coming from all around the community. The kids will now move to fundamental class. The great section is the last kindergarten class. This event has been going on for 3 years in the school. Each graduated child receives a plaque like a souvenir. It is an activity that people in the community embrace.
