Focus on Marriage

Thank you to Willeme for providing this article.

We would like to thank Rose-Mika F. Luceus for leading a group of married women and future married couples, to provide Christian education, training, and guidance on how to live harmoniously with their husbands in the church. We believe that family is such an important part of the church and our communities.

This organization of women called “HCM Ladies”, aims to improve the life of the HCM families and surrounding churches. Along with her staff, Rose-Mika’s dedication and leadership are making a positive impact, fostering stronger families and communities. On August 15th, they brought many families together from our satellite churches and the other churches in the community for an inspiring conference! The group heard from multiple speakers and included a time of musical worship.

Thank you Rose for creating such a valuable opportunity for community and learning.

Fifth leadership cohort

If you spend any amount of time with Pastor Bob, he will talk about the importance of pouring into the next generation in Haiti. He has a passion to equip the next generation with knowledge and skills while giving them real life opportunities. One way he does this is via a yearly leadership cohort. The fifth leadership cohort just concluded with a special ceremony. Together with other pastors and leaders in Cap Haitian, this nine-month course covers personal development and leadership training. Those selected get a chance to hear and learn from leaders in the private and public sector.

Congratulations to our dear graduates of the Nelson Mandela class of 2023-24 - Coach One for Haiti.
Congratulations on this well-deserved success.

A leader is a dealer of hope. – Napoleon Bonaparte
