## Back to School

*Thank you to Willeme for providing this article.*

We're excited to announce that our schools are reopening, and we couldn't have done it without your unwavering assistance! Your support and commitment have helped us prepare for this moment, and we are so blessed to welcome our students back for the new school year

(2024/2025) from Pillatre, Lory, and Haut Dehenne. Together, we're building a brighter future for our communities.

Supporting a child in school in Pillatre, Lory and Haut Dehenne is incredibly important because education is often the key to breaking the cycle of poverty. In a country like Haiti where resources are limited, offering encouragement and support can empower a child to succeed academically, build confidence, and open doors to opportunities that can transform their life. Education not only provides knowledge, but also hope, and every bit of support can have a lasting impact on their future and the communities around them.

On behalf of all three schools supported by HCM, we extend our heartfelt gratitude to all our supporters for the generous hot meal given at school. *"So whether you eat or drink or whatever you do, do it all for the glory of God."* - Corinthians 10:31. There is a common Haitian saying: "An empty sack cannot stand, an empty stomach has no ears". Your kindness not only fills our students' plates but also nourishes their minds and hearts, helping them focus and thrive in their studies. Thank you for making a difference in our communities! May God continue to bless you all.
