## 40<sup>th</sup> Anniversary Celebration

*Thank you to Vicky Steele for providing this article.*

Haitian Christian Ministries celebrated 40 years of proclaiming the gospel of Jesus Christ on January 19<sup>th</sup>, 2025. The week before the celebration began, nightly worship and prayer services were held leading up to the Celebration Gala

on Friday night January 17<sup>th</sup>. That night, 600 church members and guests were served a delicious meal on the church grounds and the history of HCM was celebrated. The Sunday morning celebration service on the 19<sup>th</sup> of January celebrated 40 years of ministry where the past was remembered including honoring founding Pastor Emmanuel Laguerre (Pastor Manno) and his vision to see Northern Haiti transformed through the gospel of Jesus Christ and celebrating Pastor Bobanoit Luceus's (Pastor Bob) leadership for the last 10 years. The week was a wonderful celebration of all the lives that have been impacted through the ministry of HCM. Two HCM board members were blessed to travel to Cap Haitian and celebrate this huge milestone in HCM's history and were also able to meet with many leaders in the ministry and

assess some of the physical needs of all our churches while they were in country.

There was much to celebrate! Here is a short recap of the ministry that HCM is providing in Haiti:

- The original campus, located at Pillatre, includes a church, a school that is one of the top schools in the Nord region where close to 1400 students are educated, and a medical clinic where about 1000 patients are seen monthly providing excellent medical care regardless of the ability to pay.
- Six additional churches that have been planted. Five new churches have been founded in the last 10 years under Pastor Bob's leadership. This continues to expand the reach of HCM where the gospel of Jesus Christ is being proclaimed, and the physical needs of the communities are being met.
- A college scholarship program, a dream of Pastor Manno, was started under Pastor Bob's leadership. Over 20 scholarships have been provided so far, with ten of those graduates being employed by HCM providing continued excellent Haitian leadership within the ministry.

- Coach One for Haiti is a leadership program for students with 100 graduates in the last several years. The sixth class is in session now.
- Two additional schools added in the last 10 years, where the future generation of Haitian Leadership is being educated.
- Child Sponsorship Program where US sponsors come along side our Haitian partner and provide funding to feed students daily and enable us to pay our staff and teachers' salaries.

There is much to celebrate! HCM continues to follow our mission statement where these three pillars are being lived out daily through HCM's ministry:

1. Preaching and Teaching the Word of God
2. Planting Churches
3. Meeting the physical needs of the people

HCM, like many other Christian ministries, is experiencing a decrease in giving. This presents challenges as we work to continue to do more in Northern Haiti and expand the ministry with the reality of decreased funding. We presently have close to 900 students in need of sponsorship. We will also be sharing exciting plans in the future on how some of our present services will be expanding. Please stay tuned for opportunities to continue to come along side of HCM and enable us to proclaim the gospel in Northern Haiti!

We also want to let all our supporters know about the tragic untimely passing of Judith Mesidor (Laguerre), Pastor Manno's daughter, on December 27<sup>th</sup>, 2024. Judith lost her courageous yearlong battle with breast cancer. Please be in prayer for the entire family as they grieve and remember Judith's short impactful life. Judith was an important part of HCM's ministry for many years. A celebration of her life was held on January 10<sup>th</sup>, 2025 in Oakland Park, Florida. The HCM Board of Directors and all our HCM pastors and staff extend our love and prayers to the family and friends of Judith.
