the Word of God**

Planting Churches

**Meeting the Physical
Needs of the People**

Lory update

Thank you to Willeme for providing this article.

Lory Church is one of the shining testimonies of what God is doing through HCM in the northern region of Haiti. Located in the Lory community of Cap-Haitian, the church was planted in 2003 by Pastor Manno, a man deeply on fire for the Gospel and filled with vision for the Kingdom of God. He entrusted the leadership of the church to Pastor Jacques, who has faithfully carried the torch since 2005, preaching the Word with love, integrity, and dedication. We are so thankful for Pastor Jacques and his 20 years of shepherding the people in the Lory community.

Lory Church is not just a building, it's a living, breathing movement of God. Week after week, lives are being transformed, faith is growing, and the love of Christ is being lived out. The church also operates a thriving elementary school on campus, serving students from 1st through 6th grade. These children are not only receiving a quality education but are also being fed. Today, Lory is the second largest HCM campus after Pillatre, showing the incredible growth and impact of the mission. The people of Lory are deeply connected to their church. The congregation is active, committed, and united in faith. In fact, due to the growing number of members, they have already started building a larger sanctuary, because the current space is simply too small to hold all those coming to hear God's Word.

Lory is a powerful example of what happens when people respond to God's call with obedience and passion. The spiritual and educational impact of HCM in this community is undeniable, and the people are overwhelmingly grateful. We invite you to continue lifting HCM in your prayers and supporting this life-changing mission however you can. As HCM works to proclaim Jesus across the entire northern region of Haiti, it also responds to physical needs and plants churches where the light of the Gospel has not yet reached. Together with you, this vision will continue to grow. Thank you for being part of this mission. God bless you!

HCM on YouTube

Did you know that we have a YouTube channel? Our staff in Haiti has been working on new videos to showcase the ministry. The videos are an easy way to get a glimpse of what is happening in country since we are unable to visit in person. The videos are also a great way to share with others the work God is doing in Northern Haiti. We hope to continue providing videos in the future to foster a connection between our supporters and the churches of HCM.

You can find our main page here: <https://www.youtube.com/@HaitianChristianMinistries>. Subscribe and you will be notified whenever new content is posted.

Thank you!

We want to extend a special 'Thank you' to several members of Dillon Community Church in Colorado for meeting an important need for our Pillatre campus. Several months ago, we highlighted that our batteries for our solar system needed to be replaced. Several members of Dillion Community Church came together to provide the nearly \$30,000 necessary to complete this project. We are so appreciative of the generous gift that allows us to continue schooling and church without rationing power. Mèsi anpil! Bondye bon!

Show me the right path, O Lord; point out the road for me to follow. Lead me by your truth and teach me, for you are the God who saves me. All day long I put my hope in you. Psalms 25:4-5 NLT
